- HDE Tracks: Health and Wellbeing, Children and Families, and General Track; required courses [here](#).
- Practicum requirement courses: HDE 140L, 141, 142, or 143
- Restricted Electives: Human Development requires students to take 19-20 units from a list of upper division restricted electives that relate to your chosen track. Please be aware that Restricted Electives may have prerequisites that are not accounted for on this plan
- This is a sample academic plan. Your Academic plan will differ depending on previous credit received, prerequisites taken for upper division restricted electives, your course schedule, and available offerings.
- For HDE Major: 9 lower division courses (including lower div English) and 14 upper division courses (including upper div English) = total of 23 classes
- This schedule meets CAES minimum 180 unit requirement for graduation, meets CAES 54 Upper division unit requirement for upper division courses, meets Human Development major requirements, meets GE requirements, meets English composition requirement
- Please work with College of Agriculture Dean's Office to choose GE classes to ensure that all General Education requirements are met.
