

Catherine K. Brinkley, VMD, PhD, MS

Rm 2333, Hart Hall, 1 Shields Ave, Davis, CA
ckbrinkley@ucdavis.edu

Education

- 2007-2015 Veterinary Medical Degree, University of Pennsylvania
 Studies focus on Public Health from a One Health perspective
- 2009-2013 Ph.D., City and Regional Planning, University of Pennsylvania
- 2007 M.S., Lic. Virology, Göteborg University, Sweden
 Ecological research on emerging zoonotic disease.
- 2004 B.A. Biology and Russian, Wellesley College
 Magna cum Laude, Phi Beta Kappa.

Publications

Peer-Reviewed Journal Articles (total: 25)

- J 25. Brinkley, C.;** Glennie, C.; Flores, J.; Chrisinger, B. (2019) Supermarket Interventions in Food Deserts. *Journal of Public Affairs*. <https://doi.org/10.1002/pa.1863>

Book Review (BR)

BR 1. Brinkley, C. (January 01, 2011). Book Review: Sustainability Unpacked: Food, Energy and Water for Resilient Environments and Societies. *Journal of Planning Education and Research*, 31, 4, 473-475.

Grants

2018-2023	National Science Foundation CAREER, “Rugosity on the Peri-Urban Interface” (\$630,000, PI)
2019-2020	National Health Institute Environmental Health Sciences Core Center, “Planning in California Cities and Counties” (\$30,000)
2018-2019	The Pew Charitable Trusts, “Health Impact Assessment (HIA) to improve health equity in Kern County, California (\$19,547, co-PI Dr. Natalia Deeb-Sossa).
2019	World Food Center Conference Grant, Setting the Agenda for Food Cooperatives. (\$5,000, co-PI Dr. Keith Taylor)
2018-2019	Environmental Health Sciences for Community Engagement in Language Access. (\$5,000, co-PI Dr. Natalia Deeb-Sossa).
2016	Center for Educational Effectiveness. Faculty Learning Teaching Center Fellow (\$750, PI)

- 2016 Global Affairs Seed Grant, “Farm-to-City Clean Energy” (\$15,000, PI)
- 2016-2018 Delta Protection Commission, “Economic Indicators for the Delta” (\$50,000, co-PI with Dr. M. Anne Visser)
- 2016 Learning Teaching Center, Faculty Learning Community (\$1000, PI)
- 2016 Climate Change Teaching Module (\$750, PI)
- 2009 Inspiration Award for One Health work bridging spatial design and public health, largest monetary award in the veterinary profession (\$100,000, PI)

Awards and Fellowships

- 2019 Summer Fellow, Santa Fe Institute Complex Systems Science, June-July.
- 2018 National Science Foundation Center for Research Excellence and Diversity in Team Science (CREDITS) training, September. UCLA Arrowhead.
- 2017 Best Paper in *Journal of Built Environment* for Brinkley et al., 2017 “Culturing Food Deserts.”
- 2017 Fellow, National Center for Faculty Development and Diversity
- 2015 Journal of Planning History best article published honorable mention for “The Hidden History of Food System Planning.”
- 2014 Advocate, American Veterinary Medical Association (AVMA), Policy Advocacy Internship on Capitol Hill (February)
- 2013 The American Collegiate Schools of Planning (ACSP) award for the doctoral workshop and international Planning conference in Dublin, Ireland.
- 2006 Fulbright Fellow, Sweden, study of animal-to-human disease in disturbed natural environments
- 2004 Watson Fellow, study of wildlife conservation in South Africa, Sweden, Madagascar, Ukraine, Denmark, Singapore and China

Conference Presentations (peer-reviewed)

Pedagogical Approaches to Nudge Students to Translate and Transmit Knowledge from Sustainability Education. Civic Engagement in Landscape Architecture (CELA). Sacramento, CA. March, 2019

Potential of Heat Planning for California, California Bioresources Alliance Symposium. Sacramento, CA; November, 2018

Community Economic Development in University-Partnerships, Association of Collegiate Schools of Planning (ACSP). Buffalo, NY, October, 2018

City-Region Commons. Invited panel lecture by joint European and American Planning School presidents. Association of Collegiate Schools of Planning (ACSP). Buffalo, NY, October, 2018

Local food and Land-use, Association of European Schools of Planning (AESOP). Gothenburg, Sweden, July, 2018

The Tragedy of the Commons Never Happened. Association of European Schools of Planning (AESOP). Gothenburg, Sweden, July, 2018

The Small World of Local Food. Association of Collegiate Schools of Planning (ACSP). Denver, Colorado, October 2017

Geo-social network Analysis of Local Food. Association for the Study of Food and Society/ Agriculture, Food and Human Values. (ASFS/AFHV), Los Angeles, June 2017

Rural Economic Development Indicators for the Delta. American Association of Geographers (AAG) Boston, April 2017

Evolution of Planning Disciplines. Association of Collegiate Schools of Planning (ACSP). Portland, OR, October 2016.

Decoupling economics from GHG emission reductions. Association of Collegiate Schools of Planning (ACSP). Houston, TX, October 2015.

The Star-Shaped City; Sustainable Urban Development. Association of Collegiate Schools of Planning (ACSP), Philadelphia, PA, October 2014

City Shape and Patterns of Food Sales, Association of European Schools of Planning (AESOP-ACSP), Dublin, Ireland, July 2013

Animal Agriculture and the Birth of City Planning Regulation, Society for American Regional Planning History (SACRPH), Baltimore, MD, November 2013

Planning for Animal Agriculture in Cities, Society for Ethics in Food, Lund, Sweden, August 2012

The History of Food Planning in North America, Association for the Study of Food and Society/ Agriculture, Food and Human Values. (ASFS/AFHV), New York, NY, July 2012

Mobile Produce Vending to Improve Health in Low-income Neighborhoods, Urban Affairs Association Conference, San Francisco, CA, November 2012

Benefits of Peri-urban Agriculture, World Planning Congress, Perth, Australia, August 2011

Maximizing Peri-urban Potential through Planning, Association of Collegiate Schools of Planning (ACSP), Salt Lake City, December 2011

Best Practices for Urban Sustainability, panel, Association of Collegiate Schools of Planning (ACSP), Minneapolis, MN, October, 2010

Sustainability Indicators of City Health, World Urban Forum (WUF), Rio de Janeiro, Brazil, January 2010

Invited Lectures and Panel Presentations

The Impact of Urban Fringe Developments on Agriculture, French National Institute for Agricultural Research, Paris (INRA) Southern France. September, 2019

Power of Cooperative Supermarkets, Natural Food Politics Symposium, UC Davis, April, 2019

One Health and Planning, University of Pennsylvania, March, 2019

Land-use and Animal Health in China and the US, Veterinary School, University of California, Davis, February 2019

Food and Economic Development in Davis, City of Davis, February, 2019

One Health and Backyard Poultry, Veterinary School, University of California, Davis, October, 2018

Local Economies Panel, University of California, Davis, October, 2018

Geography and Community Development Faculty-Student Research Showcase, University of California, Davis, September, 2018

The Small World of Local Food Systems, University of Reno Nevada, April, 2018

Sweden's Energy Transformation, University of California, Davis, April, 2018

Socioeconomic Indicators for the Delta, Delta Protection Commission, January, 2018

Rural Economic Development Indicators, Delta Protection Commission, November 2017

Cities as Coral Reefs, University of California, Davis, Geography Graduate Group, November, 2016

Food Deserts, University of California, Davis, CRD 98, September 2016

Food Deserts, University of California, Davis CRD Bill Lacy, September 2016

District Heating in California. California Energy Commission and UC Center Sacramento (UCCS). October, 2016

Sweden's Energy Transformation and Environmental Justice, Royal Architecture School in Stockholm, July 2016

Civilizations Built by Beasts, Rutgers University, November 2015

Animals and Food Supply in the Early American City, Rutgers University, October 2014

The Birth of Planning and the Regulation of Animals, City and Metropolitan Food Systems course, City & Regional Planning, University of Pennsylvania, January 2014

Fringe Benefits: Urban Morphology's Influence on Food Sale Patterns, Urban Research Institute, University of Pennsylvania, December 2013

A New Market: Curbside Produce Vending in West Philadelphia, Philadelphia Wholesale Produce Market, December 2013

A Model for Getting Fresh Produce to Low-Income Neighborhoods, Philadelphia Public Health Board, Philadelphia, PA, December 2013

Sustainable Produce Vending in West Philadelphia, Geography and Public Health course, City & Regional Planning, University of Pennsylvania, January 2013

Farmland Amenities and Conservation Easements, Environmental Planning Course, City & Regional Planning, University of Pennsylvania, December 2012

Regulating Animals out of Philadelphia from 1600-present day, Philadelphia Society for the Promotion of Agriculture, Philadelphia, PA, November 2012

Introduction to Global Health, University of Pennsylvania, School of Veterinary Medicine, October 2012

Designing for Animals: Zoo Enclosures and Farmland Planning, University of Maryland, 2011 and 2009

Keynote Lecture on Zoo Design across the World, Swedish Aquaria and Zoo Association, 2006

Teaching

Community and Regional Development (CRD)

CRD 158: “Community Governance,” (2016-)

CRD 152: “Community Development” (2016-)

CRD 200: “Health and Planning” (2018-)

Geography,

GEO 200BN: “Geography Theory and Practice” (2016)

Study Abroad,

Sustainable Cities of Northern Europe (2018-)

2015 Adjunct Assistant Professor, Department of Environmental and Occupational Health Sciences, University of North Texas. Courses Taught: “Global Food Security and Sustainability” online for Masters in Public Health program.

Professional Leadership

2019- Project lead, building a General Plan database for California’s 482 cities and 58 counties in partnership with the California American Planning Association, Governor’s Office of Planning and Research, California Air Resources Board, and California Environmental Justice Alliance

2014 Host Organizing Committee Member, Association for the Collegiate Schools of Planning (ACSP) in Philadelphia, PA.

2013-2015 Editor, Today’s Veterinary Practice
Edited and managed peer-review process. Conducted interviews for the back-page. Example: interview with Dr. Melinda Merck on formulating an animal abuse protocol: www.todaysveterinarypractice.com/mags/1307/T1307C09.pdf

Peer-Review: Journal of Planning History; Land Use Policy; Journal of Planning, Education and Research; Environmental Practice; Health & Place; Urban Studies; Journal of Rural Studies; Journal of the American Planning Association; International Planning Studies, Planning Theory; Energy Policy

Grant Panel Reviewer: National Institute of Food and Agriculture, USDA; Formas, Swedish National Grant Agency

University

2018- Co-founder, Wild Energy Initiative of the John Muir Institute for the Environment

2017- Steering Committee Member, World Food Center

2017- Faculty Member, University of California Global Health Institute’s Planetary Health Center of Expertise

- 2016-2019 Dean's Representative from College of Agriculture and Environmental Sciences, California Roundtable on Agriculture and Environment
- 2016- Principle Investigator, Center for Regional Change
- 2016-17 Executive Committee Member, John Muir Institute for the Environment
- 2014 Conference Organizer, Waste: The Last Food Mile, University of Pennsylvania.
- 2013 Conference Organizer, Feeding Cities, partnership across six schools at the University of Pennsylvania, (www.feedingcities.com)
- 2007 Founder of One Health, a joint student club to foster dialog across all medical professional schools at the University of Pennsylvania, the first in the country.

Community/Consulting

- 2019 Project co-lead, Food and Economic Development (FED) for the City of Davis (2019). Mayor Brett Lee's Mayoral Initiative
- 2019-2020 Project lead, Health Impact Assessment on the Sacramento Region Urban Heat Island Effect in partnership with Sacramento regional non-profit Valley Vision
- 2018-2020 Project co-lead, California Rural Legal Assistance partnership on a Health Impact Assessment (HIA) to improve health equity through language justice in Kern County, California (\$19,547 from PEW Charitable Trusts, faculty co-PI Dr. Natalia Deeb-Sossa)
- 2018-2019 co-leader, Sustainability Task Force focused on siting energy infrastructure in the City of Davis. Made recommendations to Opticos design team (co-lead, Chris Granger of Cool Davis, a local non-profit)
- 2017- Advisory Committee member, Downtown Davis Planning Advisory Committee
- 2016- co-PI, Delta Protection Commission Socioeconomic Indicators for the Delta (*in progress*). Delta Protection Commission, Sacramento, California
- 2014 Initiator and Organizer, Philadelphia Animal Welfare Working Group, which convenes regional animal shelter executive directors and expert veterinarians to explore legislative initiatives and foster synergies with research
- 2011 Subject Expert, Food Agriculture Organization (FAO) of the United Nations Reviewed historic and current city ordinances to advise on animal agriculture regulations and food waste processing in low-income countries
- 2010 Advisor to the United Nations through the Institute for Urban Research on creating the Sustainable Cities platform. Participated in workshops in Nairobi,

Kenya and Rio de Janeiro, Brazil, planning conference calls, and authored a guiding white paper: <http://sustainabledevelopment.un.org/index.php?menu=1510>

Department

- 2019- Chair, Tenure Guidelines Committee, Community and Regional Development Unit
- 2018-2019 Inaugural Chair, Distinguished Speaker series for Human Ecology Department
- 2018-2019 Steering Committee member, joint colloquium between Human Ecology and Animal Science departments, UC Davis
- 2017-2018 Search Committee for two positions with appointments in Human Ecology and Animal Sciences

Graduate Group

- 2018- Executive Committee Member, Community Development Graduate Group
- 2017- Member, Energy Graduate Group
- 2017- Member, Geography Graduate Group
- 2016-17 Faculty Mentor, Mellon Public Scholar Program
- 2016-17 Faculty Mentor, Graduate Students of Color

Mentorship

Doctoral Theses

- 2019, Kate Munden-Dixon, PhD Geography, “Rangeland Management” (committee)
- 2018, Ty Beal, PhD Geography, “The Geography of Malnutrition” (committee)
- Ongoing, Charlotte Glennie, PhD Sociology, “Urban Gardens” (committee)
- Ongoing, Meghan Klasic, PhD Geography, “Water Policy and Planning” (committee)
- Ongoing, Alana Stein, PhD Sociology “Food Banks and the Homeless Population” (committee)
- Ongoing, Sam Roodbar, PhD Geography, TBD (chair)
- Ongoing, Gwyneth Manser, PhD Geography, TBD (chair)

Ongoing, Tyler, PhD Geography, Spatiality of Cooperatives (committee)

Masters Theses

2019, Sasha Pesci, Masters Geography, “Tracing the Social Networks of California’s Organic Agriculture Movement” (chair)

2019, Samir Noovy, Masters in Community Development, “Social Services for Afghani Immigrants in Sacramento” (committee)

2018, Cameron Denney, Masters in Geography, “Hotspot Analysis of Wildlife Traffic Accidents” (committee)

2018, Frannie Einterz, Masters Community Development, “Culinary Education Programming in Food Banks” (committee)

2018, Jacqueline Scarlett Kingsley, Masters Community Development, “Cities and the Human-Animal Bond” (chair)

Ongoing, Andrew Leach, Masters Geography, “Heat Planning Feasibility Map for California” (chair)

Ongoing, Grace Perry, TBD (chair)
