BOOKS

1. 2004 Water and Land Use: Planning Wisely for the Future of California (Solano Press Books); co-authored by Karen Johnson and Jeff Loux. 2004.

(In Press)

2. 2011 Open Space and Land Conservation Handbook (Solano Press Books); creator, editor and co-author with a series of chapter authors; in press, 2011.

CHAPTERS OF BOOKS

(In Press)

3. 2011 Chapter 17: "Water Supply," in Infrastructure Planning, by Vicky Elmer, University of Oregon, pages 264-285 in the current draft. (Routledge Press).
4. 2011 Chapter 12: "Collaboration and Stakeholder Engagement," in Water Resources Management, edited by Dr. Quentin Grafton and Dr. Karen Hussey, Cambridge University Press, 2011.

Articles and Publications

1. 1979 Book review of **The Cult of the Wild (1978)**, by Boyce Rensberger. In **Not Man Apart**, February 1979.
2. 1981 Book Review of **The Dark Side of Paradise (1980)**, by Jim Albertini et al. In **Not Man Apart**, March 1981.
3. 1981 Book review of **The Farm and the City**, by A.M. Woodruff (editor). In **Not Man Apart**, March 1981.
4. 1984 "State Legislation May Run Dry: Planners Urge More Water Conservation in Times of Plenty," **Northern News, California Chapter of the American Planning Association**, Vol. 5, No. 8, March/April 1984.
5. 1986 "Tinkering, Tailoring, Soldiering, Spying: An Overview of Theoretical Approaches to Environmental Planning." 1986. U.C. Berkeley College of Environmental Design.
6. 1993 "Imagine That: A Revised Davis General Plan Based on Local Resident's Input," editorial in the **Davis Enterprise**, October 24, 1993.
7. 1994 "Davis Grapples with Growth," in **Davis Focus**, fall 1994.
8. 1995 "Ways to Achieve Sustainable Public Involvement," in Putting Our Communities Back on Their Feet: Towards Better Land Use Planning. Local Government Commission, San Francisco Conference Publication, 1995.
9. 1996 "Strategies for Neighborhood In-fill," in the Journal of Urban Ecology. No. 1, pg.6, 1996.

(Appointment to UC Davis Continuing Educator in 2000)

10. 2001 "Legal Mandates Related to the Conservation of Land and Natural Resources," with William Fulton, Mathew Cahn, Heather Barnett, Katie Siegler and Jeff Loux. **Secretary of the California Resources Agency as part of the California Legacy Project**, May 2001.
11. 2001 "Use of the Analytical Hierarchy Process for the Development of Conservation Priorities for Agricultural, Forestry and Range Lands," National Center for Ecological Analysis and Synthesis, U.C. Santa Barbara report to the California Legacy Project, with Frank Davis, Helen Regan, Erik Vink, and Greg Greenwood, 2001.
12. 2002 "Linking Water Supply and Land Use," in **Cal Planner**, California Chapter of the American Planning Association, January-February 2002, ppg. 1,6,14.
13. 2002 "State's Need for More Water is Pressing In." **Sacramento Business Journal**, September 20, 2002.
14. 2002 "New Front in California's Water Wars," in **San Francisco Chronicle**, October 17, 2002. Also a similar version of the article was published in 12 other newspapers across the State of California.

15. 2003 "How the Natural Resources Regulatory System Works: Inventory and Analysis of State and Federal Agencies and Regulations Affecting Conservation;" with William Fulton, Ken Bogdan, Jeff Loux and Jennifer Walker. **California Secretary of Resources and the California Legacy Project.**
16. 2003 "Water Elements as Part of the General Plan," California General Plan Guidelines, Governor's Office of Planning and Research, 2003; pages 128-136.
17. 2003 Contributing Author of Sections in the **Farmland Protection Guide: 24 Strategies for California**, League of California Cities, Institute for Local Government, 2003.
18. 2004 Editor of Conference Proceedings, Organizer and Co-Chair of the Conference; **Between Fires: Ecological Responses to the 2003 Wildfires in the Southern California Region**," with UCLA Institute of the Environment, US Forest Service, California Resources Department and US Geological Survey.
19. 2004 "Water Supply and Urban Growth in California: Forging New Institutional Linkages or Business as Usual," in **Published Proceedings of the Annual Conference of the Association of Collegiate Planners**, October 2004, Portland, Oregon.
20. 2005 "The Sacramento Water Forum," in **Global Forum on Reinventing Government Conference Proceedings**," International Innovations, Seoul, Korea, May 2006, pgs. 202-203 (translated in Korean and English).
21. 2007 "Sustainable Water Resources in the Southwest: Can We Have it All," in **Southwest Hydrology**, Volume 6/Number 3, May/June 2007; pgs. 18-32.
22. 2007 "Developing a Flow Standard for the American River: A Collaborative Approach," in **10th International River Symposium and Environmental Flows Conference Proceedings, Brisbane, Australia**, September 2007.
23. 2008 "The City of Chance: Lucky Highway 13." **Syracuse University Maxwell School for Public Policy**, Conflict Resolution Teaching Simulations and Case Studies, PARC Collaborative Governance Initiative Competition, 2008.

ARTICLES AND MEDIA REVIEWING OR CRITIQUING LOUX WORK

1. 2005 Book Review by Allen Pierleoni, Sacramento Bee, Review of: **Water and Land Use, 2004**, by Johnson and Loux, April 7, 2006.
2. 2005 "Building a Competitive Edge," **Superior California Builder Magazine**, about the UC Davis Extension Green Building and Sustainable Design Program, 2006.
3. 2007 "CE Goes Green: Programs Focused on Sustainability Blossom, by Kandace Gilligan, in **Focus**, A Newsletter of the University Continuing Education Association, Volume 12, Number 6, October/November 2007.
4. 2009 "The 20-Minute Good Life," by Alison Arieff, in **Sunset Magazine**, October 2009, Pages 82-85.
5. 2009 "Germany's Green City of the Future" **Good Morning America, ABC News**,

Correspondent Jim Sciutto, August 2009.

6. **2009** "International Education: Reflecting on Sustainability in Northern Europe," **UC Davis Internationally Engaged; A Newsletter from University Outreach and International Programs**, Fall 2009, Volume 10.
7. **2010** "Green Models: Students Learn from the Best of Sustainable City Designs in Northern Europe," by Kaitlyn Jahelka, in **Abroad View, volume 12, issue 2, Spring 2010, page 28.**
8. **2010** "Climate Effort to go Global," by Mark Braly, in **The Davis Enterprise**, Sunday, February 21, 2010.

RECENT PEER REVIEW ACTIVITIES

1. **2005** **Water for Growth: California's New Frontier**, by Ellen Hanak, published by the Public Policy Institute of California, January 2006.
2. **2005** "**Impacts of Disturbed Soil in Urbanizing Areas with Emphasis on Water Supply**," by Dr. Robert Darmody, University of Illinois, in Illinois Waste Management Research Center, April 2006.
3. **2006** "**Lawns and Water Demand in California**," by Dr. Ellen Hanak and Mathew Davis of the Public Policy Institute of California, in California Economic Policy, Volume 2, Number 2, July 2006.
4. **2009** "Most of Nature: A Policy Framework to Resolve the Twin Dilemmas of the Decline of Nature and Nature and Rural Communities," for **the Journal of Natural Resource Policy Research**, Brian Hurd, Editor, 2009.
5. **2010** "Adaptive and Integrative Management Chapter," by Pahl-Wostly, C., P. Jeffrey, and J. Sendzimir, in **Water Resources Management**, Cambridge University Press, in press, 2010.
6. **2010** Review of the Book Review Proposal: "**Practice of Sustainable Community Development: A Participatory Framework for Change**," by R. Warren Flint, for Emerald Publishing Company, 2010.

CONFERENCE PRESENTATIONS, LECTURES, KEYNOTE ADDRESSES AND FACILITATION

1. **1984** "Water Management Plans: The 1984 Urban Water Conservation Act," Presented at 1984 Annual Conference, Association of Environmental Professionals
2. **1985** "El Sur Ranch Coastal Land Use Planning Strategy," Presented at 1985 American Society of Landscape Architects, California Chapter, Annual Conference, Monterey, California.
3. **1989** "Public Participation Techniques to Resolve Conflicts on Sensitive Park Sites." Presented at the 1989 California Parks and Recreation Society Annual Conference in Sacramento, CA.
4. **1990** "Preserving What's Left in the Urban Area: Politics and Process," Presented at the 1990 International Open Space Conference, Palo Alto, CA.
5. **1990** "Stream Restoration and Protection in Santa Cruz County." Presented at the 1990 International Open Space Conference, Palo Alto, CA.
6. **1991** "Conserving Water in the Urban Landscape: Toward Sustainable Use of a Scarce Resource," moderator and panelist at a forum sponsored by the Northern California ASLA and U.C. Berkeley, 1991.
7. **1993** "Government Run Like a Business: Financing Major Infrastructure Projects," Loyola-Marymount University Professional Seminar Series. Los Angeles, CA. 1993.
8. **1993** "Alternative Models for Financing Major Infrastructure Projects," Loyola-Marymount University Professional Seminar Series. Oakland, CA. 1993.
9. **1994** "Neighborhood Design Innovations in Davis," co-authored with Robert Wolcott, presented at the 15th Annual International Making Cities Livable Conference. San Francisco, CA. 1994.
10. **1995** "Public Involvement for In-Fill Situations," presented at the 1995 California American Planning Association Conference, Santa Barbara, California. Moderator and Panelist.
11. **1996** "Sustainable Neighborhood Design Alternatives," presented at the 17th Annual Pedestrian and Bicycle Conference in Boulder, Colorado, October 1996.
12. **1996** Panelist: "Sustainable Communities," California Chapter of the American Planning Association Annual Conference, Palm Springs, October 1996.
13. **1996** "Use of Parks and Landscape Restoration Projects as Community Focal Points," Local Government Commission Conference, San Francisco, May 1996.
14. **1997** Panelist: Monterey, California, California Chapter of the American Planning Association Annual Conference. "Sustainable Development: Practical Examples," October 14, 1997.
15. **1997** Panelist: Forum on Sustainable Development, Silicon Valley Joint Venture Partnership, Mountain View, California, March 1997.
16. **1997** Panelist: "Public Involvement for In-fill Projects," at the University of California, Davis

Extension Workshop on Brownfields Development, Sacramento, March 1997.

17. **1997** Invited Presentation: "Burden, Sell-Out or Panacea: Farmland Conservation in Yolo County," for the League of California Cities Planner's Institute, Monterey, CA, March 1997.
 18. **1997** Panelist: "Sustainable Development," American Planning Association Annual Meeting, San Diego, California. April 7, 1997.
 19. **1997** Invited Keynote Lecture Series: "Creating Sustainable Communities," at the University of Colorado, Boulder, College of Environmental Design, February 24-26, 1997.
-

(Appointed to UCD Continuing Educator Position)

20. **2000** Invited Principal Instructor, "Water Supply and Urban Growth," Association of Environmental Professionals," Sacramento and Oakland, October 2000.
21. **2000** Moderator, North Valley Forum, "Common Problems, Uncommon Solution," Great Valley Center, Chico, CA, June 2000.
22. **2000** Invited Speaker, "Establishing Effective Communication Between Planning Directors and Planning Commissions," California County Planning Directors Association," Monterey, 2000.
23. **2000** Invited Speaker, "Farmland Conservation and Mitigation Programs," as part of the Great Valley Center Annual Conference, May 2000.
24. **2001** "The Role of Leadership in Collaborative Public Policy Dispute Resolution," League of California Cities Annual Conference, Sacramento, December 2001.
25. **2001** Panelist: "The Role of Leadership in Public Policy Collaboratives," American Planning Association, California Chapter, Annual Conference, Sacramento, CA, October 2001.
26. **2001** Moderator: "Community Planning and Permitting," California's 2001 Wildfire Conference and Public Events, Oakland, CA, October 10-12, 2001.
27. **2001** Invited Speaker: "Watershed Planning and Management from a Strategic Perspective," for the Kirker Creek Watershed Group, Contra Costa County Resource Conservation District, part of Calfed Grant, September 2001.
28. **2001** Invited Speaker: "Urban Infill Strategies and Neighborhood Participation," California Center for Land Recycling Brownfields Redevelopment Forum, Trust for Public Land, Great Valley Center Annual Conference, May 2001.
29. **2001** Invited Speaker and Co-Moderator with Janet Rugeiro: "Community Planning Framework," Strategies for Infill Development Conference, University Extension, U.C. Davis, April 2001.
30. **2001** Co-Chair with Albert Herson and Mike McCoy, California Watersheds Conference

2001: The Challenge of Collaborative Management, University Extension, U.C. Davis. March 2001.

31. 2001 Workshop Developer, Panelist and Moderator: "Land Conservation in California and the Essentials of CEQA for Planning Commissioners," California County Planning Commissioners Association, Fall Educational Conference 2001, Yosemite, CA; November 2-4, 2001.
32. 2001 Co-Chair with Dr. Jim Lapsley; "Finding the Right Blend: Land Use Planning, Environmental Regulations and the Wine Industry." University Extension, U.C. Davis, Sonoma Conference; and San Luis Obispo Conference
33. 2002 "Alternatives to Traditional Decision-Making in Land Use Planning and Resource Management," invited lecture series at Pacific Union College, Summer 2002.
34. 2002 "Science and Policy in Collaborative Watershed Management Programs," Russian River Watershed Council, May 2002.
35. 2002 "Presentation on Water and Land Use Issues Raised by SB 610 and 221 and Advice for Water Agencies;" California Urban Water Conservation Council; March 2002.
36. 2002 "Water and Planning: Water, Water Everywhere," Lecture and panel discussion, League of California Cities, Planner's Institute. March 2002.
37. 2002 "Water and Urban Growth: An Analysis of the New State Statutes," Water Education Foundation "Show me the Water" Forum, February 2002.
38. 2003 "Water Resources Planning and Urban Growth," at the **California Water Policy 13 Conference**, Los Angeles, Ca. December 2003.
39. 2003 Panelist, "Report on the California Water Plan by the Planners Roundtable."
40. 2003 "Interest-Based Collaboration and its Use for Groundwater Management," at the **24th Biennial Groundwater Conference and 12th Annual Meeting of the Groundwater Resources Association**; Ontario, Ca. October 2003.
41. 2003 Co-Chair with Elise Holland; First Annual Conference on Preserving California's Rivers; UC Davis Extension and the Trust for Public Land; Sacramento, CA. 2003.
42. 2003 Keynote Speaker: "Connecting Water Resources and Urban Growth," Columbia College Water Forum Series; March 2003.
43. 2003 Moderator and Panelist; "Linking Infrastructure with Growth;" Association of Environmental Professionals, Annual State Conference; Monterey, CA. April 2003.
44. 2003 "State and Federal Policy Issues Affecting Land Use Planning and Land Conservation;" The Nature Conservancy "Camp Sprawl" Training Session. San Francisco, CA. April 2003.
45. 2003 Lecturer; "General Planning in California and its Relationship to Conservation and Sustainability;" Planning and Conservation League Foundation Workshop Series: Merced, Stockton, Chico, and San Luis Obispo, CA. Spring through Fall 2003.
46. 2004 "Water Resources in Community Design," at U.C. Berkeley Department of City and Regional Planning Lecture Series.

47. 2004 Chair and Organizer of the 2004 "Protecting California Rivers Conference: UC Davis."
48. 2004 "Water Supply and the Future of California," keynote speaker at the Local Government Commission's 13th Annual Yosemite Conference; **Building Livable Communities**; March 2004. (Same conference that produced the Awhanee Principles in 1991).
49. 2004 Moderator and Panelist; "Linking Water and Land Use: Are Planners Meeting the Challenge?" California Chapter of the American Planning Association; Palm Springs, CA, October 2004.
50. 2004 Speaker; "Water Supply and Urban Growth: Forging New Institutional Linkages in California," Association of Collegiate Schools of Planning; Portland, Oregon. October 2004.
51. 2005 "Water Supply and the Future of Urban Growth," at the Annual Conference of the American Planning Association, San Francisco, CA. September 2005.
52. 2005 "Finding Water for New Growth," California Chapter of the American Planning Association Annual Conference, Yosemite, CA, October 2005.
53. 2005 "California at a Cross-Roads: Water Resources Management and Urban Growth," keynote speaker, panelist and presenter at an all-day workshop for the Association of California Water Agencies Annual Meeting, San Diego, Can, November 2005.
54. 2005 "Water Resources Issues and their Connections to Land Use," UCLA Institute for the Environment, guest speaker; November 2005.
55. 2005 "The Sacramento Water Forum," at the **Global Forum on Reinventing Government**," Seoul, Korea, May 2006.
56. 2006 "Influencing Smart Growth and Water Sustainability," **Local Government Commission Conference on Water and Land Use**, Yosemite, CA, April 2006.
57. 2006 "The Aging Boom: Planning for the Next Generation of Older Adults," **League of California Cities Annual Conference**, Monterey, CA, May 2006.
58. 2006 "Land Use and Transportation Choices for Community Health," **Urban Design and Public Health Conference**; California Department of Public Health Services, Sacramento , Ca. September 2006.
59. 2006 "Environmental Benefits" at the **Evaluating the Impacts of Desalination in California Workshop**, University of California, Santa Cruz and the California Department of Water Resources, September 25, 2006.
60. 2006 "What is a Water Element and What Can it do for Me," **California Chapter of the American Planning Association Annual Conference**, Orange County, CA, October 2006.
61. 2006 "Urban Development as if Water Mattered: Reinventing How We Design Water Wise Communities," **UC Davis Hydrologic Sciences Graduate Group Fall 2006 Seminar Series**, Davis, CA, November 2006.
62. 2006 "Planning, Development and water Resources," **21st National Ground Water**

Association Annual Conference, Costa Mesa, CA, December 2006.

63. 2007 "Water, Water Everywhere: Exploring Storm Water Strategies in Smart Growth Communities," **6th Annual New Partners for Smart Growth Conference**, Los Angeles, CA, February 2007.
64. 2007 "American River Flow Standard: Introduction," **American River Watershed Conference**, Sacramento State University, Sacramento, CA; April 2007.
65. 2007 "Marketing Sustainability," **13th Annual HOPES Conference**, University of Oregon Architecture and Allied Arts, Eugene, Oregon, April 2007.
66. 2007 "Sustainable Water Resources in the Southwest: Can We Have it All," at the **Southwest Hydrology Annual Conference**, September 2007.
67. 2007 "Developing a Flow Standard for the American River: A Collaborative Approach," at **10th International River Symposium and Environmental Flows**, Brisbane, Australia, September 2007.
68. 2007 "Urban Water Management Plans – Who Has the Land Use Authority," **A Greener Shade of Blue, 8th Biennial State of the San Francisco Estuary Conference**," October 16-18, 2007, Oakland, CA.
69. 2007 "A Multiple Values Approach," **Blueprint Learning Network**, Caltrans, OPR, MTC and ABAG, "GIS and Land Use Planning." 2007, Sacramento, CA.
70. 2007 Facilitator and Panelist, **Blueprint Learning Network**, Caltrans, OPR, MTC and ABAG, "Making it Real: Public Engagement, Environmental Justice, and Blueprint Planning." November 2007, Oakland, CA.
71. 2008 "International Conference on Drought and Climate Change," **National University of Australia and the Australian Water Management Initiative**, Invited Speaker/Panelist and, Western US Representative, Canberra, Australia, November 13-18, 2008.
72. 2008 "Water Supply and the Future of Growth Management," **American Planning Association Annual Conference**, October 2008, San Francisco, CA.
73. 2008 "Challenges of regionalism: Governance and Accountability," **Regionalism in California: Center for the Study of Regional Change, UC Davis**, May 5-6, 2008.
74. 2008 "Water, Growth and Development - What's the Connection," **Water, Growth and Development, Strengthening Connections in Amador and Calaveras Counties**, May 30, 2008.
75. 2008 "A Planner Looks at Storm Water: From Source Control to Treatment," **California Stormwater Quality Association, 4th Annual Conference**, September 22-24, 2008, Oakland, CA.
76. 2008 "Draft Water Element for Calaveras County General Plan," **Calaveras County General Plan Update Working Group**, December 2008.
77. 2009 "California Water Policy and Community Planning and Design: Toward Water Wise Communities," **Tuolumne County Master Gardener's UC Cooperative Extension**, April 2009.

78. 2009 "Sustainable Water Resources Planning," **Great Valley Conference, 20/20 Foresight: A View of the Great Valley in a Decade**, April 2009.
79. 2009 "Facilitation," **Community and Regional Development 298: Overview of Qualitative Research Methods**, December 2009.
80. 2009 "Experiential Learning in Freiburg, Germany," **UC Davis Summer Abroad Fall Recap**, October 2009.
81. 2009 "Introduction to California Water: How it Flows, Where it Goes," **California Science and Technology Policy Fellows Program**, November 2009.
82. 2009 "An International Perspective: Its Effect on our Work," **UC Davis Extension Manager's Issues Forum**, October 2009.
83. 2009 "Lessons from Across the Pond: Sustainable Urbanism in European Neighborhood Design," **The Many Dimensions of Community Development: Doing/Debating Development Series, UC Davis Community Development**, September 2009.
84. 2009 "The California Land Use Process," **Urban Land Institute, New Leaders Group**, April 2009.
85. 2010 "Sustainable Communities Design: A Multi-National, Multi-Disciplinary, Multi-Scale Perspective," **U.S. Green Building Council, San Joaquin Valley Chapter**, March 2010.
86. 2010 "Water and Land Use," **Joshua Tree Water District Forum on Water and Development**, Joshua Tree, California, February 18-19, 2010.
87. 2010 "Ecologically- Based Neighborhoods of Northern Europe," **Searching the Globe for Climate Solutions, A Community Forum on International Strategies**, City of Davis Climate Action Team series, February 2010.
88. 2010 "**San Joaquin Valley Regional Land Use Summit**," Hosted by: Planning and Conservation League, PCL Foundation, Climate Plan, Clean Air Coalition and Central Valley Air Quality Coalition. Moderator, Facilitator and Panelist, March 24, 2010.
89. 2010 "**Environmental Science Curriculum Development Workshop for the Thai Nguyen University of Agriculture and Forestry of Vietnam**," UC Davis and Thai Nguyen University, April 5-7, 2010.

LIMITED DISRIBUTION PUBLICATIONS/CREATIVE WORK

1. **1983** Miller-Knox Regional Shoreline Master Plan - Resource analysis, EIR, and land use development plan for a 260-acre parkland on the San Francisco Bay.
2. **1983** El Sur Ranch Coastal Plan - Resource analysis, and sustainable master plan for 7,000-acre ranch on the Big Sur coast (APA Award).
3. **1984** Hercules Waterfront Design Plan - Land use and rehabilitation site alternatives for a 35-acre bayside site, containing natural resource and historical sites.
4. **1985** Breckenridge Hills Specific Plan - Specific Plan for 5,500 acres in the foothills of Kern County; a Water Management Element was developed as an integrated water use/land use strategy to promote conservation and conjunctive use of water.
5. **1986** Baldwin Place Senior Housing Environmental Impact Report.
6. **1986** Pleasanton General Plan Environmental Impact Report (APA Award).
7. **1987** Point Isabel to Miller-Knox Park Trail Design - Regional shoreline trail design for segment of "round-the-bay" trail.
8. **1987** South Lake Tahoe Redevelopment Plan Environmental Impact Report.
9. **1987** TMI Specific Plan Environmental Impact Report.
10. **1987** U.C. Berkeley Foothill Housing Environmental Impact Report.
11. **1987** Ridgelands Regional Park Plan- Feasibility study and plan for public open space use in 20,000-acres of rolling terrain for the East Bay Regional Park District; (ASLA Honor Award).
12. **1988** Goleta Area Growth Management Plan EIR - Assess the impact of growth on water supply/demand balance and associated overdraft problems; part of overall land use/environmental analysis.
13. **1988** Goleta Area Master Environmental Assessment - Interactive computer data base and map system for land use planning.
14. **1988** Visalia Parks and Open Space Element- Long-range, citywide plan for parks, trails, open space and use of waterways, creeks and irrigation canals.
15. **1988** Livermore Area Park and Recreation District Master Plan- Area-wide plan for park and open space acquisition, development and recreation programs.
16. **1988** Downtown Pleasanton Specific Plan Environmental Impact Report.
17. **1988** Newhall Ranch Southern Study Area Environmental Impact Report and Redesign, City of Concord.
18. **1988** Redding Riverfront Specific Plan - Land use and urban design plan for 1700 acres along the Sacramento River involving retail, recreational, office and open space uses and a heritage museum park. (ASLA Award).

19. **1988** St. Paul, Minnesota Plan for Parks - Regional policy plan for a parks, open space and trails system including forty lakes, ponds and streams. This project was conducted with a broad citizen committee under the auspices of a city, a county and several non-profit groups. I was the Project Manager and Principal Author of the Plan.
20. **1989** Anderson Lake Park Master Plan - Plan for the 4,000-acre Anderson Reservoir in Santa Clara Valley, including new land acquisitions, a new marina and auxiliary facilities, natural areas, shoreline and ridge trails and access roads.
21. **1989** Goleta Water District Water Supply Management Plan - Plan to secure new water sources and additional conservation for 10-20 year future.
22. **1989** Marina Dunes Habitat Conservation Plan - Participatory planning process for 800 acres of coastal dunes to enhance habitat and accommodate visitor-serving development within Endangered Species Act limitations.
23. **1989** Rush Ranch Restoration Plan - Resource enhancement plan for 2,000-acre ranch in Suisun Marsh involving public access, and wetland management.
24. **1989** Pillar Point Harbor Village Environmental Impact Report.
25. **1989** Seascape Park Master Plan - Design plan for a 10-acre coastal park in Santa Cruz involving an intensive community workshop process.
26. **1990** Boulder Creek Specific Plan - Directed a sustainable urban design plan for rural town center in the Santa Cruz Mountains.
27. **1991** Recommendations and Action Plan for the Preservation of Open Space in Sacramento County, with Economic and Planning Systems, Inc. for Sacramento County.
28. **1992** Live Oak Community Plan – Managed a community workshop process and sustainable land use/urban design plan for a small coastal community. 1990-1992.
29. **1992** Pajaro Valley Community Plan – Managed a community workshop process and community plan for the urban/rural interface area in the Pajaro Valley near the city of Watsonville.
30. **1992** Santa Cruz County General Plan Update - Managed a comprehensive revision to all plan elements focusing on urban areas and infrastructure/resource capacities. 1990-1992.
31. **1993** State of the City Report, City of Davis- A synthesis of relevant planning, demographic, resource and related information as a precursor for the City of Davis General Plan.
32. **1993** Sutter-Davis Hospital - Project review for a full-service hospital and office complex in the City of Davis. Project involved an EIR, planning policy review and litigation settlement.
33. **1999** City of Davis Draft General Plan Update - Directed a comprehensive revision to all general plan elements to create a “sustainable community plan” for a 60,000 person community involving extensive public participation.
34. **1994** Pole Line Road Corridor Plan - Administered a \$2 million streetscape design

plan/project to calm traffic and reduce impact from a major roadway in an existing neighborhood with extensive citizen involvement. (APA award).

35. **1995** City of Davis Core Area Specific Plan - Directed a community-based urban design plan for the revitalization and continued in-fill of the Davis downtown.
36. **1996** Davis Urban In-Fill Study - Administered a study of residential in-fill potential in the City of Davis as part of the update of the comprehensive community plan.
37. **1996** Richards Boulevard Corridor Alternatives Project - Project Coordinator for an evaluation of 20 alternative transportation management options.
38. **1996** Aggie Village Mixed Use Project - Coordinator for the City of Davis on a sustainable downtown in-fill project.
39. **1996** Gateway/Olive Drive Specific Plan - Managed a land use and urban design plan for 165 acres at City of Davis' "front door" with 400,000 square feet of technology, hotel, office and educational development and enhancement of a mixed use neighborhood. The project was guided by a 27-member citizen advisory committee.
40. **1997** 5th and G Project and Environmental Impact Report - Project Administrator and Negotiator, Davis Redevelopment Agency, for a major mixed-use, downtown in-fill project on a brown-field site.
41. **1997** University Retirement Community at Davis - Project Administrator and Negotiator for a 300-bed/unit senior continuing care housing project on a 10-acre site.
42. **1998** Comparative Evaluation of Research Park Proposals for Potential Inclusion in the City of Davis General Plan, City of Davis.
