

CURRICULUM VITA **MARK FRANCIS**, FASLA, FCELA, FIFUD 7/2017
Professor Emeritus of Landscape Architecture and Environmental Design
University of California, Davis
Licensed Landscape Architect, California, New York, and Massachusetts

ADDRESS University of California, Davis
Landscape Architecture + Environmental Design
Department of Human Ecology
133 Hunt Hall
Davis, CA 95616
(530) 752-4119
(530) 752-1392 (Fax)
e-mail: mofrancis@ucdavis.edu
web: <https://humanecology.ucdavis.edu/mark-francis>

EDUCATION Harvard University, Graduate School of Design
Department of Landscape Architecture and Urban Design Program
Master of Landscape Architecture in Urban Design, June 1975

MIT School of Architecture and Planning
Graduate coursework in architecture and urban planning. 1973 – 1975.

University of California, Berkeley
Department of Landscape Architecture
A.B. in Landscape Architecture, June 1972, with honors

TEACHING Professor (Step VIII), Landscape Architecture Program, University of California, Davis. 1980 - Present. Tenured, 1982. Associate Professor, 1982. Full Professor, 1988. Chair, 1994 - 97.

Visiting Professor, University of Stavanger, Norway. 1985-86. 2005 – 2006. 2012–13. (Sabbatical Leave from University of California).

Visiting Associate Professor, Department of Landscape Architecture, University of California, Berkeley. 1983.

Assistant Professor and Research Associate, Member of the Doctoral Faculty in Psychology, Ph.D. Program in Environmental Psychology, Graduate School of the City University of New York. 1977 - 1980.

Adjunct Professor, Urban Landscape Architecture Program & Graduate Program in Urban Design, School of Architecture, City College of New York, 1978 - 80.

Visiting Instructor, Department of Environmental Design, Pratt Institute. Brooklyn, NY. Fall, 1978.

COURSES TAUGHT
(Partial listing)

Landscape Meaning *

Introduction to Landscape Architecture*

Freshman Seminar: Landscape as Meaning and Memory*

Landscape Architecture and Public Open Space in Scandinavia

Urban and Community Design

Urban Open Space

Social Factors in Landscape Architecture

Advanced Communication Methods

Landscape Architectural Graphics Studio

Recreational Open Space Studio

Senior Thesis Project

Site Planning Studio

Proseminar in Landscape Architecture

Social and Psychological Factors in Open Space Design

Community Form**

Research Methods**

The Meaning of Urban Nature**

Recreation and Open Space Evaluation**

Design Processes**

Neighborhood Assessment and Community Development**

Environmental Programming**

Introduction to Environmental Psychology**

Public Space and Public Life**

Theory & Philosophy of the Designed Environment**

* General Education Lecture Course

** Masters or Doctoral Level

**UNIVERSITY
ADMINISTRATION
& COMMITTEES**
(Partial listing)

Chair, Landscape Architecture Program, College of Agricultural and Environmental Sciences, University of California, Davis, 1994 - 1997.

Founder and Director, Center for Design Research, Department of Environmental Design, UC Davis. 1983– 2003.

Member, Geography, Community Development, Transportation Technology and Policy, History and Society, and Horticulture Graduate Groups. UC Davis.

Member, Institute of Transportation Studies, UC Davis. 1999 – present.

Faculty Affiliate. John Muir Institute for the Environment. UC Davis. 2005 – 2010.

Member, Chancellor’s Sustainability Advisory Committee, UC Davis. 2005.

External PhD Examiner, in Landscape Architecture, Edinburgh College of Art. 2005.

Public Service Awards Committee. Academic Senate. UC Davis. 2002- 2005.

Chair, Sustainable Communities Consortium, UC Davis, 1997 - 2000.

Chair, Community Development Graduate Group, UC Davis. 1989 -1991.
Executive Committee, Admissions Committee, Curriculum Committee.

Executive Committee, Geography Graduate Group. UC Davis. 2003 – 2007.

**UNIVERSITY
ADMINISTRATION
& COMMITTEES**
(continued)

Program Head & Master Adviser, Landscape Architecture, University of California, Davis. 1983-1985, 1987-88, 1993, 2007, 2008. Chair, 1994-97.

Coordinator, MA and PhD in Landscape Architecture, Geography Graduate Group, UC Davis. 2008 – present.

Acting Chair, Department of Environmental Design, UC Davis. 1985, 1988, 1989, 2009.

Campus Design Review Advisory Board, UC Davis, 1991-2000.

Distinguished Teaching Awards Committee, UC Davis. Academic Senate, 1988- 90.

University of California Regents Professor Committee, 1984-85; Chair, 1988-90.

Individual Major Committee, UC Davis. 1994-97.

Committee on Open Spaces & Natural Resources. UC Davis. 1987-89.

Affirmative Action Advisory Committee. UC Davis. 1988 - 90.

Instructional Improvement Advisory Committee, UC Davis, 1990-91.

City of Davis General Plan Resource Committee. Appointed by Chancellor and Davis City Council. 1987 - 1988.

**PROFESSIONAL
DESIGN
EXPERIENCE**

CoDesign, Inc., Landscape Architecture, Planning, Community Design and Research. Davis, California. Founder and Design Principal. 1983 - 1998. Merged with Moore Iacofano Goltsman (MIG), 1998. Senior Design Consultant 1998 – present.

Mark Francis Associates (MFA), Landscape Architecture and Urban Design Consultants, Principal. New York City and Davis, California. 1977- present.

Moore-Heder (M-H), Architects and Urban Designers, Cambridge, Massachusetts. July 1975-77. Project Landscape Architect and Urban Designer.

Carducci-Herman Associates, Inc., Landscape Architects, Berkeley, California, June-September 1973. Project Landscape Architect.

Blair, Francis and Associates, Inc., Landscape Design and Construction, Berkeley, California. April 1972 - March 1973. Principal.

Sasaki, Walker Associates, Inc., Landscape Architects and Site Planners, Sausalito, California. June-September 1971. Project Landscape Designer.

Richard B. Taylor and Associates (RTA), AIA, ASLA, Landscape Architects and Architects, Santa Barbara, California. 1970, 1973. Project Landscape Designer.

**PROFESSIONAL
REGISTRATION**

National Uniform Landscape Architectural Board Exams.
Passed in Massachusetts, 1976. California, 1981.

Licensed Landscape Architect, State of California (#2045), State of New York (#744) and Commonwealth of Massachusetts (#498).

**EDITORIAL
BOARDS AND
REVIEW PANELS**

Associate Editor, *Journal of Architectural and Planning Research*, 1995 - present

Editorial Boards,

Landscape Journal, 2003 - present

Journal of Planning Literature, 1999 – present

Environment and Behavior, 1980 - present

Children's and Youth Environments, 2002 – present

Design-Research Connections. 2002 – present

Landscape Architecture Foundation, 2003- present

Environment and Behavior Book Series. Plenum. 1985 – 1995

Reviewer of book manuscripts for,

MIT Press, E F Spon, Johns Hopkins University Press, Island Press,

McGraw Hill, MIT Press, Routledge, Stanford University Press,

Taylor & Francis, Yale University Press, University of California

Press, University of Washington Press, Wiley, Van Nostrand

Reinhold

Reviewer/Expert Panel,

**PROFESSIONAL
ORGANIZATIONS
AND ADVISORY
BOARDS**

American Society of Landscape Architects, Fellow, Elected 1999.
Member, 1978 – 1998.

Environmental Design Research Association (EDRA). Chair, 1995-96.
Board Member, 1993-97, Secretary, 1994-95, Member 1974 – 2010.

National Urban and Community Forestry Advisory Council (NUCFAC),
Appointed by U. S. Secretary of Agriculture, 1996 - 1998.

National Advisory Council, Case Studies in Land and Community Design,
Landscape Architecture Foundation. (with Gary Hack and Fritz Steiner). 1999 – present.

Design Selection Advisory Board, Cornerstone Festival of Gardens. (with Peter
Walker, Ken Smith and Marc Treib). 2002 – present.

Founder and Advisory Board, EDRA/*Places* Awards Program. 1997 – present

American Community Gardening Association, Board Member. 1998 – 1991.

Advisory Boards,
American Community Gardening Association, Philadelphia, PA
Trust for Public Land, Western Region, San Francisco, CA
Urban Land Institute, Washington, DC
San Francisco League of Urban Gardeners, San Francisco, CA
ABCittà, Milan, Italy
Olmsted Scholarship, Landscape Architecture Foundation
Nearby Nature, Eugene, Oregon

External Reviewer, SLU (Sweden) 2009; LSU 2009; Rutgers 2001; U. of Oregon, 2000.

Board of Advisors, Design Arts Program, National Endowment for the Arts.

AWARDS AND HONORS

Distinguished Alumni Award, College of Environmental Design, University of California, Berkeley. 2014.

Fellow, American Society of Landscape Architects (ASLA). Elected 1999.

Fellow, Council of Educators in Landscape Architecture (CELA). Elected 2010.

Fellow, Institute for Urban Design (IFUD), New York City. Elected 2006.

Fellow, University of California Humanities Institute, UC Davis. 1993-94.

Fellow, Royal Norwegian Council for Scientific and Industrial Research, 1985-86.

Listed in *Who's Who in America*, 54th Edition. Marquis.

Davis Farmers' Market designed by Mark Francis voted America's Favorite Farmers' Market in National Poll conducted by American Farmland Trust. 2009.

Proclamation by the Davis City Council as one of the pioneers of the Davis bike system. September 12, 2007.

Award of Excellence. Mace Ranch Park. California Park and Recreation Society. 2006.

Selected by the *Journal of Environmental Psychology* and IAPS as one of the "most influential figures in environmental psychology". 2005.

Certificate of Excellence. "The California Landscape Garden". Book Builders. 2000.

Centennial Medallion, Davis Central Park, American Society of Landscape Architects. One of the most important designed landscapes of the last 100 years. 1999.

Honor Award, Communication. "The California Landscape Garden". Professional Awards Program, American Society of Landscape Architects, Washington, DC. 1999.

Merit Award, Research. "The UCDCM Urban Wildlife Preserve." Professional Awards Program, American Society of Landscape Architects, 1999.

Awanahoe Merit Award for one of the Best Project Built in the Past Ten Years for Central Park and Davis Farmers Market, Local Government Commission, 1999.

Merit Award, Communication. "The Healing Dimensions of People-Plant Relations." Professional Awards, American Society of Landscape Architects, 1995.

Merit Award, Research. "Public Space." Professional Awards Program, American Society of Landscape Architects, 1994.

Honor Award, Communication. "The Meaning of Gardens." Professional Awards Program, American Society of Landscape Architects, 1991.

Merit Award, Planning and Analysis. "Davis Greenway Plan." Professional Awards Program, American Society of Landscape Architects, 1989.

Merit Award, Communication. "Community Open Spaces." Professional Awards Program, American Society of Landscape Architects, 1986.

**AWARDS AND
HONORS**
(continued)

Merit Award, Planning, "Gateway/Olive Drive Specific Plan". Central Valley Chapter, American Planning Association. City of Davis. 1995.

Award of Excellence for Planning and Design, "Davis Greenway", Northern California Chapter, American Society of Landscape Architects. 1995.

Outstanding Planning Project Award. "Davis Greenway Plan". American American Planning Association, Sacramento Valley Chapter. 1989.

Merit Award, "Activity Mapping For Urban Landscape Architecture." California Council of Landscape Architects, Professional Awards Program. 1987.

Award for Exemplary Design Research. National Endowment for the Arts. 1983.

Honor Award, Research. "The Making of Neighborhood Open Spaces". CCVC Chapter American Society of Landscape Architects. 1982.

Merit Award, Planning and Analysis. Davis Core Area Improvement Plan. Professional Awards Program, CCVC Chapter, ASLA. 1982.

Merit Award, Communication. Village Homes Community Playground. Professional Awards Program, CV Chapter, American Society of Landscape Architects. 1981.

**AWARD
JURIES**

New 500,000 Multi-functional Administrative City (MAC) Central Open Space Jury, Seoul, South Korea. (Jury Chair with Paolo Burgi, Switzerland, Julia Czerniak, USA, Peter Latz, Germany, and Binyi Liu, China). 2007.

G5 International Urban Design Competition Jury. Chuncheon, South Korea. (with Jon Lang, Australia, Colin Fournier, London, Jeff Ho, Singapore). 2006.

Orange County Great Park, Designer Selection Jury. (with Diane Ghirardo, Michael Rotondi, and Linda Pollak), Irvine, California. 2005.

Davis Downtown Design Awards Jury. Downtown Davis Business Association. 2005.

13 Acres, International Schoolyards Design Competition Jury, Canadian Society of Landscape Architects. (with Peter Latz and Cornelia Oberlander). 2001.

Douglas Dockery Thomas Fellowship Jury. Garden Clubs of America. (with James Wescoat, Karen Hanna and Darrel Morrison) 2001. Chair, 2003.

EDRA/Places Awards Jury for Place Design and Place Research. (with Donlyn Lyndon, John Zeisel, and Anne Vernez Moudon). 1999.

American Society of Landscape Architects, National Professional Awards Jury. 1993.

Excellence in Transportation Jury. CalTrans, State of California, 1994.

American Society of Landscape Architects Professional Awards Jury. NCC, 1992.

International Schoolyards Design Competition Jury, New York City, 1990.

Council of Educators in Landscape Architecture Awards Jury, 1989.

**EXHIBITS OF
CREATIVE WORK**

Giardini di Porta Nuova, International Competition for a new urban park in the center of Milan, Italy. Exhibited in Milan City Hall. March- April 2004.

"Socially Responsible Design," Exhibit, Schafler Gallery, Pratt Institute. New York. Traveled nationally and internationally. 1993-1997.

"Village Homes Playground", Environmental Design Research Association Conference. 1985. Traveled nationally and internationally. 1985-1988.

**RESEARCH
EXPERIENCE**

Landscape Architect in the Agricultural Experiment Station, College of Agricultural and Environmental Sciences, UC Davis. 1980 - Present.

Founding Director, Center for Design Research, UC Davis. 1983 – 2003.

Senior Associate, Center for Human Environments, CUNY. 1977-80.

Research Assistant, Laboratory of Architecture and Planning, School of Architecture and Planning, Massachusetts Institute of Technology. 1974-75.

**GRANTS AND
FUNDED
PROJECTS**

"International Urban Design Symposium". Stavanger 2008, Norway. 2007. \$16,500.

"Open Public Urban Spaces ". Norwegian Research Council. 2005. \$25,000.

"Integrating Transportation Planning in Urban and Community Design". University of California Transportation Center. Berkeley. 2003-2005. \$15,000.

"Community Design in the Pacific Rim". University of California Office of the President. Pacific Rim Grant Program. 2003-2004. \$14,500.

"An Issue-Based Case Study for Landscape Architecture". Ralph Hudson Environmental Fellowship. 1999-2000. \$3,500.

"Development of a Prototype Project Case Study". JJR Research Grant, Landscape Architecture Foundation. 1999-2000. \$5,000.

"An Open Space Typology for Urban Villages", U. S. Environmental Protection Agency. 2000-2001. \$6,000.

"Urban Open Spaces: Research, Design and Ecology". Graham Foundation. Chicago. 1997-98. \$4,300.

"Development of a Case Study Approach for Landscape Architecture Research". Landscape Architecture Foundation. Washington. 1997-98. \$5,000.

"EDRA / *Places* Design Research Awards Program". Graham Foundation. Chicago. 1997-99. \$21,000. 2000-2002. \$25,000.

"Sustainable Communities Consortium". UC Davis Chancellor's Environment Initiative. 1996 - 98. \$180,000.

"Campus as a Healing Landscape", UC Davis Medical Center, Sacramento. Research and Campus Landscape Design Internships. 1994-1998. \$85,000.

GRANTS AND FUNDED PROJECTS
(continued)

"Community & Agricultural Open Space: Assessment, Management, Planning & Design", Experiment Station Regional Research Project. USDA. 1980 – present. \$12,000.

"Open Space and Landscape Design", Lake Tahoe Conservancy. 1996-99. \$50,000.

"The World Wide Web as Instructional Delivery System for Landscape Architecture Education", U. S. Department of Agriculture. 1996-99. \$22,000.

"Healing Dimensions of People-Plant Relations". Gerbode Foundation. San Francisco. Conference and Proceedings. 1994-95. \$3,000.

"Ecological Garden Design Prototypes for the California Home Landscape". Elvenia J. Slosson Endowment for Ornamental Horticulture. 1992-94. \$41,244.

"The Meaning of the Garden". Color Reproduction for MIT Press Book. Beatrix Farrand Fund, University of California, Berkeley. 1989. \$6,000.

"Involvement of Urban Residents in Sustainable Agricultural Practices". UC Sustainable Agriculture Research Program. 1990-91. \$8,000.

"Quad District Open Space Study". Planning and Budget, UCD. 1990. \$10,000.

"Perception of the Changing Agricultural Landscape Along the Interstate 80 Corridor," Agricultural Experiment Station, State Critical Areas Research Program. 1988-89. \$14,264.

"Meanings of the Garden," National Endowment For the Arts. 1987-89. \$20,000.

"Changing Views of The Agricultural Landscape" Faculty Research Award, UC Davis. 1985 - 86. \$1,030.

"The Meaning of Garden in Everyday Life," NTNF Royal Norwegian Council for Scientific and Industrial Research. 1985-86. \$17,500.

University of California Agricultural Experiment Station, "User and Community Approaches to Urban Landscape Design and Assessment" Three year research program focused on understanding relationship of people to the built landscape. 1981 - Present. \$5,000 annually.

"Design Qualities of Public Landscapes," 1981-82. Faculty Research Award, UC Davis. \$2,000.

"Neighborhood Landscape Assessment and Design" 1980-81, Faculty Research Award, UC Davis. \$3,000.

"Qualities of the Public Environment of Cities," National Endowment for the Arts. In collaboration with Leanne Rivlin (CUNY), and Steve Carr (Carr-Lynch). 1981-82. \$17,000.

GRANTS AND FUNDED PROJECTS
(continued)

Seminar to improve computer literacy in Design and Landscape Architecture, 1982-83, \$2,100. Development of a Basic Design Curriculum for Design and Landscape Architecture, UC Davis. 1984-85, \$5,000.

"Social and Environmental Assessment of Community Control of Neighborhood Space," CUNY Faculty Research Award Program. 1979-80. \$12,400.

"Community Control of Open Space," Hewlett Foundation, 1979-80. \$3,000.

"Community Assessment Process for Use by Community Planning Boards," 1979-80. CUNY Faculty Research Award Program. \$14,000.

"Urban Impact Assessment Research." Harvard Fellowship. Harvard Graduate School of Design. 1984-85. \$2,500.

"John Fitzgerald Kennedy Library Impact Assessment," Cambridge, Massachusetts. Neighborhood Ten Association on impacts of proposed Presidential Library and Museum Complex. 1974-75. \$15,000.

**TV, RADIO
PROGRAMS &
VIDEO TAPES**

Interview, Capital Public Radio. Gold Rush Park. March 17, 2005.

Interview, EcoTalk Radio. Produced by KZFR. Syndicated nationally on Pacifica Radio. 2001.

Interview, "Campus Authors", UC Davis in the News. Broadcast on KVIE Channel 6. Sacramento. 2001.

Interview, The California Report. "The Fight for Community Gardens" Produced by KQED Public Radio, San Francisco. Broadcast on Public Radio throughout California. July 14, 2000.

"Gardens and Their Meaning", Interview on half hour live program. "The Comfort Zone". Australian Broadcasting Corporation. March 1997.

"Veto Virtual Reality". Video. Introduction and Producer of Lawrence Halprin Video. 1995 Alumni Lecture, UC Davis. Davis: Center for Resign Research.

"The Meaning of Home". Adviser to Oprah Winfrey Show. November 1995. Broadcast January 1996.

"Gated Communities and The New Urbanism". KCRA Channel 3 (NBC). October 27, 1995. Aired on Channel 3 in November 1995.

"The Disappearance of Nature" Program, Series on American Scholarship, Wisconsin Public Radio, March 18, 1992.

"Everyday Community Sound." Co-Producer, British Broadcasting Corporation, London, England. September 1975. Broadcast on Australia and U.S. Public Radio.

"Teen City". Co-Producer, Video Tape. Presented at the 5th Annual Environmental Design Research Association Conference, University of Wisconsin - Milwaukee, May 29-31, 1975 and National Institute of Mental Health, Washington, D.C., 1975.

Additional Interviews on radio and TV including National Public Radio, BBC, etc.

**INVITED LECTURES
& KEYNOTE TALKS**
(Partial Listing)

"Urban Parks as Community Places". G5 International Urban Design Symposium, Choncheon, Korea. Keynote Address. March 23, 2006.

"Public Open Space". Norwegian Architects Association. Stavanger, Norway. November 3, 2005.

INVITED LECTURES
(continued)

"Landscape Architectural Research", School of Architecture and Planning, University of New Mexico. April 2, 2005.

"Geometries of Garden Meaning". Horticultural Geographies Symposium. University of Nottingham. September 17, 2003.

"The Reflective Professional", Annual Alumni Lecture, University of Maryland, Department of Landscape Architecture. April 24, 2003.

"Designing the California Landscape Garden". 2003 California Council/American Society of Landscape Architects State Conference. Balboa Park, San Diego, CA. March 29, 2003.

"Child Friendly Cities", University of Florence and Istituto degli Innocenti di Firenze. Italy. March 23, 2001.

"Proactive Practice" and "The Case Study Method". Department of Landscape Architecture, Edinburgh College of Art. Edinburgh, Scotland. March 8, 2001.

"Landscape of Childhood", Telemark University, Norway. February 20, 2001.

"Proactive Practice", Jens Jensen Professor of Landscape Urbanism Lecture. University of Illinois, Chicago. November 21, 1998.

"The California Landscape Garden", Sustainable Landscapes Symposium, Santa Barbara Botanical Garden, November 7, 1998.

"Urban Open Space", Urban Land Institute Symposium. Chicago, July 10, 1998.

"The Middle Place: Rethinking Space and Place in American Public Life". Plenary Talk. Utah Humanities Council/EDRA. Salt Lake City. June 15, 1996.

Panelist. Davis General Plan Open Space Committee. City Council Chambers, Davis. January 23, 1995. Also broadcast on Cable TV.

"The Meaning of Gardens". UC Davis Arboretum Docents. May 1995.

"Constructed Nature", UC Davis, May 20, 1995.

"Garden, Wilderness, City", Pacific Bridges Conference. October 20, 1995.

"Action Research for Community Design". Keynote Talk. Participatory Design and the Future of Cities Conference. World Wildlife Fund. Venice, Italy, September 19, 1994.

"Public Space & Public Life", Jens Jensen Memorial Lecture, Department of Landscape Architecture, University of Wisconsin, Elvehjem Museum of Art, Madison, Wisconsin, April 16, 1993.

"Public Space & Public Life", 1993 Lecture Series, College of Architecture and Urban Planning, University of Washington, Seattle, May 6, 1993.

"Children in the Landscape", Brownbag Departmental Seminar, Department of Landscape Architecture, University of Washington, Seattle, May 7, 1993.

"The Meaning of Gardens", Invited Lecture, Garden Design Seminar, Arizona Sonora Desert Museum, Tucson, Arizona, May 14, 1993.

INVITED LECTURES
(Continued)

"The Art, Design & Meaning of Gardens for Children", Keynote Talk, Children, Plants and Gardens Conference, American Horticultural Society, Washington, D.C. August 13, 1993.

"Public Places, Public Lives". Graduate School of Architecture and Urban Planning, UCLA. College Lecture Series. November 1, 1993.

"Social & Cultural Dimensions of Design", Audio Lecture, Department of Landscape Architecture, Ball State University, January 22, 1992.

"Children of Nature", Panelist, International Environmental Law Symposium, University of Oregon Law School, Eugene, Oregon, March 12, 1992.

"The Childhood of Imprisonment", Lecture, Sacramento County Open Space Association, Roseville, March 30, 1992.

"Community Greening & the Global Garden", Keynote Talk, American Community Gardening Association, Denver, CO, October 1, 1992.

"Children of Nature", Public lecture organized by Nearby Nature, Eugene, Oregon, October 13, 1992.

"Public Space & Public Life", School of Architecture & Applied Arts, University of Oregon, October 14, 1992.

"Plant Communities/People Communities", Invited Participant, U.S. Forest Service, Morton Arboretum, Lisle, Illinois, November 12-14, 1992.

"Landscaping the Childhood of Imprisonment", Department Lecture Series, Department of Landscape Architecture, University of California, Berkeley, December 4, 1991.

"Participatory Planning & Decision Making". Keynote Talk. Democratically Managing the Region Conference. Perugia, Italy. Provincial Government of Perugia. November 15, 1990.

"The Meaning of Gardens". Lecture. Friends of the Davis Arboretum. February 13, 1990.

"The Value of Gardens," invited talk. State Ecological Farming Conference, Asilomar, Monterey, California. January 5, 1989.

"The Garden as Public Space," Urban Open Spaces Symposium, University of California, Berkeley. October 29, 1988.

"The Changing Public Landscape," invited lecture. School of Design, North Carolina State University. October 20, 1988.

"Control as a Dimension of Public Space Quality." Invited talk. UC Irvine Symposium on Participation in the Community. May 10, 1988.

"Fostering Community Ownership of General and Specific Plans." Invited talk. Association of Environmental Professionals Conference. Sacramento. May 5, 1988.

INVITED LECTURES
(Continued)

"The New Public Landscape." Lecture. Department of Landscape Architecture, University of Illinois, Urbana. September 14, 1987.

"The Social and Psychological Value of Open Space," invited talk. The Future of Open Space Conference, New York City. September 10, 1987.

"Urban Open Space Evaluation," lecture. Norwegian Landscape Architects Association. Stavanger, Norway. June 3, 1986.

"Neighborhood Open Space Design," lecture, University of Copenhagen, Denmark, DIS Program in Architecture and Design. May 6, 1986.

"Redesigning the Social Landscape," lecture. Norwegian Landscape Architects Association. Bergen, Norway. April 21, 1986.

"The Design of Public Space", Keynote Talk. Conference on Open Spaces and the Social Life of Towns and Cities. Sponsored by Culture Department, Rogaland County, International Playground Association Norway, Norwegian Landscape Architects Assoc. and Rogaland University. Stavanger, Norway. March 12, 1986.

"The Design of Public Space," Keynote lecture, Conference on Urban Design Guidelines, City of Oslo, Norway. October 2, 1985.

"Social Design and Landscape Architecture," lecture. Department of Landscape Architecture. Norwegian Agricultural University, As, Norway. September 5, 1985.

"Social Landscape Architecture," lecture. Graduate School of Architecture and Urban Planning, UCLA, November 7, 1984.

"Application of User Analysis and Participation in Design," invited lecture. Department of Landscape Architecture, UC Berkeley. September 10, 1984.

"Downtown Activity Mapping," Urban Studies Program, Stanford University May 1984.

"Post Occupancy Evaluation and Redesign of Urban Parks," California Parks and Recreation Administrators Conference, Asilomar Conference Center, Monterey, California. November 15, 1984.

"Behavioral Urban Design," Department of Landscape Architecture, University of California, Berkeley. September 1983.

"Involving Residents in Urban Design and Research," Center for Metropolitan Planning and Research, The John Hopkins University. October 1982.

"Researching Neighborhood Landscapes," Rogaland Distrikthøgskole and Stavanger Laerskolen (Rogaland University and Stavanger Teachers College). September 1982.

INVITED LECTURES
(Continued)

"Engasjere Beboere i to a to del i Planlegging av Parker og Lekeplasser" ("Involving Residents in Designing Parks and Playgrounds"), Stavanger Museum, Stavanger, Norway (Invited Lecture). Sponsored by Norwegian Architects Association; Norwegian Landscape Architects Association; Norwegian Building and City Planning Association; Stavanger Residents Association. August 30, 1982.

"Reflections on Behaviorally-Based Landscape Design," Department of Landscape Architecture, UC Berkeley. January 1982.

"Issues in Community Design," Department of Landscape Architecture, UC Berkeley, December 1981.

"Participatory Open Space Development, July Meeting, New York Chapter of the American Society of Landscape Architects, July 1980.

"Community Control of Neighborhood Space," Urban Planning Program, Columbia University, March 1980.

"Environmental Psychology and Landscape Architecture," October Meeting, New York Chapter of the American Society of Landscape Architects, October 1979.

"The Community Open Space Movement," Department of Landscape Architecture, University of California, Berkeley, April 1979.

"Urban Impact Assessment," Department of Psychology, City College of New York, November 1977.

"Participatory Planning Techniques," School of Architecture, New Jersey Institute of Technology, Newark, October 1977.

"Planning with the Harvard Square Community," Department of Architecture, City Planning and Urban Design Program, Harvard Graduate School of Design, February 1977.

"Design of Urban Environments," Department of City Planning, Harvard University, 1977.

"Participatory Design and Planning," Oslo School of Architecture, Oslo, Norway, January 1976.

"Social Impact Assessment in the United States," Stavanger University, Stavanger, Norway, February 1976.

"Social Impacts of the J. F. Kennedy Library," Urban Design Program, Harvard Graduate School of Design, November 1974.

"Social & Cultural Dimensions of Design". Audio Lecture, Department of Landscape Architecture, Ball State University, January 22, 1992.

"The Meaning of Home and Garden". Symposium Co-Chair, International Applied Psychology Conference, Kyoto, Japan. July 1990.

"Shared Landscape Meanings". Talk. International Federation of Landscape Architects Conference. Bergen, Norway. September 1990.

"A Research Agenda for Community Greening". Paper Presentation.. The Role of Horticulture in Human Well Being Conference. Arlington, Virginia. April 19-22, 1990.

"The Greening of Urban Public Life". Panel Presentation. International Eco-Cities Conference. Berkeley, California, March 30, 1990.

"Cross Cultural Garden Perceptions" Symposium Presentation. American Society of Landscape Architects, National Conference. Orlando, Florida. November 22, 1989.

"Southside Neighborhood Preservation Study". Paper Presentation. Built Form and Culture Conference, Arizona State University. November 9-12, 1989.

"The Future of Community Open Spaces". Symposium Presentation, National Urban Gardening Conference, Pennsylvania Horticultural Society. Philadelphia, PA. October 11, 1989.

"Children's Perceptions of Home Gardens". Paper Presentation. Children's Gardens Symposium, Brooklyn Botanical Gardens, New York, NY. September 11, 1989.

Invited participant, "Landscape and Architecture in the 20th Century" Symposium. Museum of Modern Art, New York City. October 21-22, 1988.

Chair, Symposium, "Gardens, Landscape and Town Planning," 10th Conference of the Association for the Study of People and Their Physical Surroundings. Delft, The Netherlands. July 5-8, 1988.

"Gardens in the Mind and in the Heart." Paper presentation. 10th Conference of the Association for the Study of People and Their Physical Surroundings. Delft, The Netherlands. July 5-8, 1988.

Symposium participant, "Esthetic Divergence in Public Places." Environmental Design Research Association Conference. Pomona, California. May 10-13, 1988.

Symposium Chair, "Privatization of the Public Landscape," Environmental Design Research Association Conference, Ottawa, Canada. May 29 - June 2, 1987.

Co-Chair, Workshop on "Some Meanings of the Common Garden," Environmental Design Research Association Conference, Ottawa, Canada. May 29 - June 2, 1987.

**PAPERS &
CONFERENCES**
(Continued)

Organizer and Co-Chair, "Meanings of The Garden" Conference. Paper presentation, "The Garden in Everyday Life." UC Davis. May 14 - 17, 1987. Co-sponsored by American Society of Landscape Architects, Environmental Design Research Association, American Community Gardening Association, and National Gardening Association.

Chair, Symposium, "Negotiating the Community Landscape," California Council of Landscape Architects State Conference, San Diego. April 9 - 12, 1987.

Workshop Chair, University Symposium on "Children and Families at Risk." UCD Faculty Club. January 29, 1987.

Workshop Co-Chair, Play For All Conference, Stanford University, September 1986.

Workshop Co-chair, "The Development of National Standards for the Design and Planning of Play Environments." Play for All Conference, Stanford University. September 7-10, 1986.

"Advances in Professional Applications of Environment and Behavior Research." Symposium presentation and "A Critical Framework for Participatory Decision-Making." Workshop presentation. 17th Environmental Design Research Association Conference, College of Architecture, Georgia Institute of Technology, Atlanta, Georgia. April 12, 1986.

"Research and Design Participation," paper presentation. International Design Participation Conference. Eindhoven Technical University, The Netherlands, April 23, 1985.

"Participation Network," Symposium Chair, International Design Participation Conference. Eindhoven Technical University, The Netherlands, April 24, 1985.

"Designing for Behavior," Symposium Organizer and Chair, Department of Environmental Design, UC Davis, November 5, 1984.

"A Comparison of Different Meanings Attached by Users to a Public Park and Community Garden," paper presentation. 8th International Conference on Environment and Human Action, Berlin, West Germany, July 1984.

"An International Research Agenda on Meanings and Measures of Participation in Environmental Design." Panel Chair. 8th International Conference on Environment and Human Action, Berlin, West Germany, July 1984.

Invited panelist, "Strange Scenes/Familiar Settings," Symposium, Environmental Design Research Association Conference, California Polytechnic University, San Luis Obispo, July 1984.

"Negotiating Between Children and Adult Values in Open Space Design." Paper presentation. Chair, Workshop on "Consequences of user participation." International Conference on People-Environment Research, Wellington, New Zealand, June 8-11, 1983.

**PAPERS &
CONFERENCES**
(Continued)

Invited panelist, "Appropriate Neighborhood Design" workshop. State Appropriate Technology Conference, UC Davis, May 6, 1983.

Co-chair, workshop on "Qualities of the Public Environment of Cities." (With L. Rivlin). Environmental Design Research Association Conference, University of Nebraska, April 1983.

"Mapping Downtown Activity." (With C. Girot), Paper presentation Environmental Design Research Association Conference, University of Nebraska, April 1983.

Co-chair, workshop on "Participation in Environmental Planning, Design and Management." (With R. Moore and D. Iacofano.) Environmental Design Research Association Conference, University of Nebraska, April 1983.

"The Role of the Designer in Low Income Communities" and "Participatory Design Methods: A Review." Invited talks. National Conference on Participatory Design in Low Income Communities. American Institute of Architects, Washington, D.C., October 26-27, 1982.

"Community Control and Participation in Neighborhood Open Space Projects." Paper presentation "Environmental planning for and by children." 7th International Conference on People and Their Physical Surroundings, Escola d'Arquitectura, Universitat de Barcelona, Barcelona, Spain, July 15, 1982.

"Behavioral Approaches and Issues in Landscape Architectural Practice and Education." Paper presented at Council of Educators in Landscape Architecture Conference. University of Washington, Seattle, August 6, 1981.

"Neighborhood Residents as Environmental Researchers and Planners." Paper presented at 12th International Environmental Design Research Association Conference, Iowa State University, April 1981.

"Assessing the Social and Psychological Consequences of Community Controlled Neighborhood open Spaces." Paper presented at Council of Educators in Landscape Architecture Conference, University of Wisconsin, August 21-23, 1980.

Co-Chair, workshop on "Community Open Space Research," 11th Annual Environmental Design Research Association Conference, College of Charleston, Charleston, South Carolina, April 1980.

Conference Organizer, "The New York Neighborhood Open Space Conference," City University of New York Graduate Center, April 1980.

"The Role of the Urban Designer in Managing Neighborhood Change." NATO Advanced Institute in Factors Influencing Urban Design, Louvain-la-Nueve, Belgium, July 2-13, 1979.

"Participatory Mapping - A Technique for Resolving Conflicts Between Planners, Users and Communities." 4th International Architectural Psychology Conference, Universite Catholique de Louvain, Louvain-la-Nueve, Belgium, July 10-14, 1979.

**PAPERS &
CONFERENCES**
(Continued)

"Community Control of Neighborhood Open Space and its Implications for Educating Landscape Architects." Panelist on "Education, Accreditation and Continuing Education." New York State American Society of Landscape Architects Annual Conference. Bear Mountain, New York, April 27-29, 1979.

Conference organizer, "Participatory Planning and Neighborhood Control," Graduate Center of the City University of New York, November 2-3, 1978.
"Toward Participatory Urban Design." First National Conference on Urban Design, New York City, October 18-20, 1978.

Chair, "Participatory Approaches to Environmental Change." Workshop.
Workshop participant, "Strategies for Environmental Education," 9th Annual Environmental Design Research Association Conference, University of Arizona, April 8-11, 1978.

"Participatory Assessment Techniques: The Harvard Square Planning Workshops," 6th Annual Environmental Design Research Association Conference, University of Kansas, April 20-23, 1975.

"The Value of Nature to City Children" (with Raymond Lorenzo).
Children, Nature and the Urban Environment Conference, George Washington University, Washington, D.C., May 19-23, 1975.

"Toward Socially-Oriented Impact Statements." 5th Annual Environmental Design Research Association Conference, University of Wisconsin, Milwaukee, May 29-31, 1974.

**MASTERS & PHD
STUDENTS**
(Partial List)

Kelly Aiken, MED, UC Davis. (Thesis: Youth Participation in Urban Open Space Design") and MS in Community Development, UC Davis ("Participation Refocused: An Alternative Framework for Participatory Design"). University of Massachusetts.

Alexandra Ashton, MS in Geography, UC Davis. (Thesis: "Effects of Community Gardens") PhD Student, UC Davis.

Thomas Barron, MS in Transportation Technology and Policy, UC Davis. (Thesis: Clean Transit District for Yellowstone National Park").

Mary Bedard, BSLA, MS in Community Development, UC Davis. (Thesis: "Healthy Public Space") Current Position: Landscape Architect, Portland.

Nathan Brightbill, MS in Community Development, UC Davis. (Thesis: Sustainability and Housing Design") Current Position. MLA Candidate, University of Washington.

Lisa Cashdan, MS in Environmental Psychology, City University of New York. (Thesis: "Community Open Space") Current Position: Director, Social Capital and Philanthropy, New Hampshire Charitable Foundation.

Christopher Congelton, PhD in Transportation Technology and Policy, UCD.

Molly Wright, MS in Community Development, UC Davis. (Thesis: "Appropriation of Public Open Space") Current Position: Planner, Sacramento Area Council of Governments (SACOG).

**MASTERS & PHD
STUDENTS**
(continued)

Christophe Girot, BSLA, UC Davis; M. Arch/MLA, UC Berkeley. Current Position: Chair of Landscape Architecture, Swiss Federal Institute of Technology, Zurich.

Margarita Hill, BSLA, MS in Community Development, (Thesis: "Culture, Form and Process: The Development of a Cultural/Learning Center in Tierra Amarilla, New Mexico"). UC Davis Current Position: Chair, Department of Landscape Architecture, Cal Poly San Luis Obispo.

Stan Jones, BSLA, UC Davis (Senior Project: "The Davis Greenway Plan"); MLA/MCP, UC Berkeley (Thesis: "Open Space and Environmental Equity: Designing for A Truly Democratic City"). Current Position: Chair, Department of Landscape Architecture, University of Oregon.

Erin Lewis, MS in Community Development, UC Davis.

Frieder Luz, MS in Community Development, UC Davis (Thesis: "Between Sidewalk and House "). Current Position: Professor, Freising University, Germany.

Jason MacCannell, PhD in Geogrpahy, UC Davis (Dissertation: The Geography of Homelessness in Sacramento). Current Position: Post Doctorate, UC Berkeley.

Melinda Milligan, PhD Sociology, UC Davis. Current Position: Assistant Professor of Sociology, Sonoma State University.

Suzanne Monroe-Santos, MS in International Agriculture, UC Davis (Thesis: "Longevity in Urban Community Gardens"). Current Position: Director, Farm Market and Food Education, Sustainable Food Center, Austin, Texas.

Angela Moskow, MS in International Agricultural Development. "The Contributions of Urban Agriculture in Havana, Cuba to Individual Control and Community Enhancement". Current Position: The Bay Institute.

Lynn Paxson, PhD in Environmental Psychology, City University of New York. Current Position: Professor of Architecture, Iowa State University.

Andreas Reimann, MS in Community Development, UC Davis. (Thesis: "Ecological Garden Design"). Current Position: Landscape Architect, Germany.

Ola Petersson, MLA, Lund University, Sweden (Thesis: "Santa Fe Park Competition"). Current Position: Landscape Architect, Stockholm, Sweden.

Andrew Stone, MS in Environmental Psychology, City University of New York. Current Position: Director, New York City Land Project, Trust for Public Land

Sagako Sugiura, MS in Community Development, PhD in Geography, UC Davis. (Dissertation: The Geography of Shopping). Current student.

Beth Wilkinson, MS in Community Development, UC Davis. (Thesis: "Design and Satisfaction in a Retirement Community").
