CURRICULUM VITAE

Areas of Academic Interest

Overall interest: Strategy and vision for sustainable development. Specific interests: urban design, urban morphology, land use planning, climate planning, social equity, regional planning, planning theory.

Education

Ph.D., 2000, City and Regional Planning, University of California at Berkeley
M.C.P., 1995, University of California at Berkeley
B.A., 1979, Psychology, Dartmouth College, Hanover, New Hampshire

Academic Employment

2015-present

Professor, Landscape Architecture + Environmental Design Program,
Department of Human Ecology, University of California at Davis
Chair, Community Development Graduate Group
Member, Geography Graduate Group
Member, Institute for Transportation Studies
Member, Energy Graduate Group

2009-2015

Associate Professor, Landscape Architecture Program, Department of Human Ecology, University of California at Davis

2007-2009

Assistant Professor, Landscape Architecture Program, Department of Environmental Design, University of California at Davis

2003 – 2007

Assistant Professor, Community and Regional Planning Program, University of New Mexico

1999-2003

Lecturer, Department of City and Regional Planning, University of California at Berkeley

Selected Honors

Faculty Sustainability Champion, U.C. Davis, 2022

Advising Award, Community Development Graduate Group, 2019

Cool Davis 2016 Eco-Hero Award, given annually for contributions to a carbon-neutral future for the City of Davis.

CalCAN 2015 Academic Climate and Agriculture Leadership Award.

Given by the California Climate & Agriculture Network (CalCAN) for work showing relationships between urban growth, agriculture, and greenhouse gas emissions.

Advising Award, Community Development Graduate Group, 2014

William R. and June Dale Prize for Excellence in Urban and Regional Planning, 2009.
National award (\$5,000) given annually to one academic and one practitioner by Cal Poly Pomona.

Honorable Mention, 2008 Chester Rapkin Award, Association of Collegiate Schools of Planning (for best article published in the *Journal of Planning Education and Research*).

Winner of the 2003 Education Project Award of Merit from the California Chapter of the American Planning Association and the 2003 Best Education Project Award from the Northern California Chapter of the APA for *Smart Infill: Creating More Livable Communities in the Bay Area* (San Francisco: Greenbelt Alliance, 2002).

Honor Award, Housing the Next Ten Million Competition, 1999 (\$10,000 first prize with Michael Larice in the Infill Development category of this international urban design competition sponsored by the Great Valley Center, the American Institute of Architects, California Chapter, the U.S. EPA, and the California League of Cities).

Munsell Memorial Award, California Planning Roundtable, 1999 (\$1,500 first prize in essay competition on topic "Can California Manage its Growth on a Statewide Basis?").

Chicago Institute of Architecture and Urbanism Award, 1997 (\$5,000 first prize in national competition administered by the Skidmore, Owings & Merrill Foundation).

Switzer Environmental Fellowship, San Francisco Foundation, 1994-95 (\$10,000 fellowship awarded to students "likely to make a significant contribution toward improving the quality of the human environment").
