LATE PETITION PROCEDURES

Petitions for late drops or pass/not pass grading are reviewed during the following drop-in hours:

<tr>
<td>10:00 – 11:00 A.M.</td>

<tr>

<tr>
<td>1:00 – 2:00 P.M.</td>
</tr>
</tbody>
</table>

- If you have not turned in any graded work, talk to your instructor to receive a notation “Enrolled-No Work Submitted.” You are not eligible for a late drop.

- The timing of your request is critical; it must be shortly after the unforeseen event or when the extenuating circumstance occurs. If it is close to or at the end of the quarter, you must explain why an “Incomplete” Grade cannot be requested.

- The petition must be completed on both sides with a clear explanation of the unforeseen event or extenuating circumstances.

- Supporting documentation, on letterhead stationery, is required and must be attached to the petition.

- Late drops will not be approved for poor academic performance, academic difficulties, or change of interest in a course. It is extremely difficult to drop a course after the drop deadline.

- If your petition for a late drop course is approved, you will be issued a PTD number. It is your responsibility to log-on to SISWEB within three calendar days. You will be billed a $3.00 Late Drop fee for each course.
An exception to the Academic Senate’s established deadlines may only be approved when an unforeseen event occurs after the official deadline and interferes with the student’s academic performance.

This petition must be filed immediately following the unforeseen event.

Have you attended the course?  [ ] Yes  [ ] No  Have you submitted course work for a grade?  [ ] Yes  [ ] No

If you answer “no” to either question above and have not attended the course or submitted graded work, talk to your instructor to receive a notation “Enrolled-No Work Submitted”. You are not eligible for a late drop.
